Bestilling af reservedele

Alle reservedelstegninger er set i en vinkel "skråt bagfra". **D.v.s. at når vi taler højre/venstre er det altid i forhold til maskinens kørselsretning.**

Reservedelslisten er ikke opdelt i de maskinkombinationer som leveres fra fabrikken. Den giver derfor **ikke** oplysning om, hvilke dele der er standard- eller ekstraudstyr.

Ved bestilling af reservedele bedes opgivet maskinens fabrikationsnummer og leveringsår.

Anvend kun originale Taarup reservedele. Ret til ændringer uden varsel forbeholdes. Ligeledes tages der forbehold for eventuelle trykfejl i denne reservedelsliste.
